Mr. David W. Anthony,
201 Witherspoon St.,
Princeton, N. J.

Dear Sir:

In answer to your letter of March 15th addressed to Mr. Richard Lundy, Manager of the Newark Eagles Baseball Club, I am writing to say that it would be impossible to play a game on July 4, 1940 in Princeton, N. J. as the Eagles are scheduled to play one of their Negro National Leagues games on that day.

If there are lights in the Baseball Park in which you speak, it may be possible to play a night game sometime during the season. It would be necessary for you to send me all information what the benefit is for, etc.

Very truly yours,
